

I, Susan Catherine Casement Moreira, Translator and English Teacher (Ministry for Foreign Affairs/Brazil), translated the manuscript

APPLICATIONS OF COPPER-BASED FUNGICIDES AND INFESTATIONS OF *Leucoptera coffeella* (Guérin-Mèneville & Perrottet) IN COFFEE PLANTS

By Paulo Henrique de Siqueira Sabino, Gian Otávio Alves da Silva,
Adriano Bortolotti da Silva, Geraldo Andrade Carvalho

As well as revising articles for the editorial board of several academic publications, I regularly translate and copy-edit scientific papers for departments at universities and research institutions across Brazil.

SCC Moreira
